

Yacht Design

Yacht design service is an exclusive part of Galliot activities. Since 1999, when company was founded, Galliot start to deliver services on fast motor boats market. Thorough the years several projects has been made, starting from motor boats, hotel pleasure crafts, speed boats ending on Mega Yachts. During last three years we have been taking part in construction of three 60 – 85 meters motor yachts for Dutch shipyard.

We are open for demanding Yacht Owners vision and we are ready to prepare they needs for launching.
